## Explore Rich Memorial Beach

In cooperation with the Portland Water District and the Town of Standish, this municipal facility offers a beautiful sandy beach, swimming, picnic area, paddle board and kayak access and clean outhouse facilities. In the winter, there is ice fishing access and parking.

Located in a picturesque cove on Sebago Lake, the calm, shallow water makes it an ideal spot for children to play and swim and for neighbors to meet and socialize.

We are proud of our beach and want to keep it beautiful and safe for all to enjoy! You can do your part by reading and obeying the rules. We encourage you to let the beach attendants know if you see any problems or have any suggestions. Your input is greatly appreciated in our continuing effort to improve and maintain the facility.
